EXHIBITION SECTIONS

MACHINERY AND EQUIPMENT FOR THE PLASTICS, PACKAGING, PRINTING AND RUBBER:

machines and equipment for preprocessing and recycling, machinery and plants for processing, extruder and extrusion lines, injection moulding machines, blow moulding machines, presses, machinery for the production of foam, machinery and plants for finishing, decorating, welding machines, printing and packing machines, moulds and dies, ancillary equipment, measuring, control and testing equipment, parts and components and many others.

RAW MATERIALS, CHEMICALS AND AUXILIARIES:

thermoplastics, thermoplastic elastomers, thermoset, foams and intermediates, rubbers, synthetic fibres, bristles, tapes, coating compounds, adhesives and glues, paint resins, petrochemical, additives, fillers, reinforcing fibres, reinforcing materials, starting materials, intermediates, polymerisation, other raw materials and auxiliaries.

MOULD:

plastic blow moulds, pet bottle moulds, cap moulds, pvc bottle moulds, pet preform, moulds, plastic extrusion moulds, pvc door-window and auxiliary profile, extrusion moulds, injection moulds, hopper dryers.

HEAT AND CONTROL EQUIPMENT:

resistors, sensors, indicators, polymer - plastic testing equipment, precision scales, electronic scales, hot runner systems, static equipment, temperature measurement equipment, modular heat control systems, industrial heating elements.

HYDRAULIC AND PNEUMATIC:

hydraulic cylinders, pumps, fittings and accessories, air compressors, pressurized air line equipment, connecting equipment, air receivers.

RECYCLING:

plastic recycling technologies, recycling services, plastic recycling extruders, plastic crushing machinery, washing rinsing and drying lines, agglomeration machinery, granule cutting machinery, plastic filtering systems.

WHY PARTICIPATE?

- determine competitiveness in the market
- outline the company's marketing program
- opportunity for personal business communication
- establish new mutually beneficial contacts
- create or strengthen a distribution network
- take part in the business program of the exhibition
- present new achievements and products
- exchange experiences with industry experts

WHY VISIT?

- gain a unique insight into the market
- get acquainted with the latest achievements of the industry
- explore a wide selection of products, services and technologies
- establish connections with local managers, regional and international levels
- expand the base of professional contacts

EXHIBITION HIGHLIGHTS IN 2023

TRADE VISITORS

EXHIBITORS

EXHIBITING COUNTRIES

EXHIBITING COUNTRIES

KAZAKHSTAN • GERMANY • AUSTRIA • ITALY • TURKEY • CHINA
TAIWAN • RUSSIA • UKRAINE • INDIA • IRAN • UZBEKISTAN

ADVERTISING CAMPAIGN

DIGITAL-MARKETING

- Web site
- Online Newsletter
- Brochures
- Web banners

SOCIAL MEDIA

- Facebook
- Instagram
- Google
- Yandex
- Mail.ru

SPECIAL PROGRAMS

- Conferences
- Workshops
- Business meetings

SECTORAL MAGAZINES

- Industry Trade magazines
- TOP magazines of plastics and polymers industry

DIRECT MARKETING

- Database of over 8000+ professional contacts and partners
- Electronic invitations for buyers and partners
- SMS-marketing
- Call-center

PUBLIC RELATIONS

- Press releases
- Support of Associations
- Chambers of Commerce

Central Asia Plast World - leading international exhibition of plastics and polymer industry in Kazakhstan.

SPECIAL ADVERTISING FOR EXHIBITORS

Besides the large and comprehensive advertising campaign for Central Asia Plast World 2024, special promotion program is launched for each exhibitor in order to increase participation effectiveness. In this regard mass mailing, call-center operation will be carried out free of charge.
