WHY EXHIBIT:

Strengthen image of your company in Central Asia market
Find new partners
Follow industry trends

Stay in the market
Gain experience of well known companies
Support positive image of company

WHO EXHIBITS?

MACHINERY AND EQUIPMENT FOR PLASTIC PRODUCTION

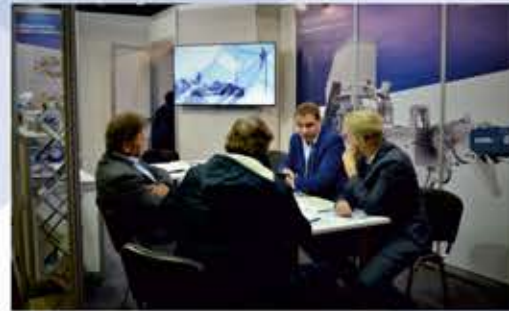

Machines and equipment for primary processing and recycling
Machines and plants for processing
Extruders and Extrusion lines
Injection and blow-molding machines
Presses with booster
Equipment for final processing, exterior trim
Coating, printing and marking application
Welding equipment, Molds and dies, Ancillary equipment
Measuring control and testing equipment
Parts and components

HEAT AND CONTROL EQUIPMENT

Resistors
Sensors
Indicators
Polymer - Plastic Testing Equipment
Precision Scales
Electronic Scales
Static Equipment
Temperature Measuring Equipment
Modular Heat Control Systems
Industrial Heating Elements

MOLDS

Plastic Blow Molds
Molds for PET Bottles
Molds for Lids
Plastic molds
Molds for PVC and windows and auxiliary profile
Molds, Dryers

HYDRAULIC AND PNEUMATIC EQUIPMENT

Hydraulic Cylinders
Pumps
Fittings and Accessories
Air Compressors
Pressurized Air Line Equipment
Connecting Equipment
Air Receivers

WASTE RECYCLING

Plastic Recycling Technologies
Recycling Services
Plastic Recycling Extruders
Plastic Crushing Machinery
Washing
Rinsing and Drying Lines
Agglomeration Machinery
Granule Cutting Machinery
Plastic Filtering Systems
3D printing
Additive manufacturing

RAW MATERIALS AND AUXILIARY MATERIALS

Thermoplastics
Thermoplastic elastomers
Duroplastics
Foams and auxiliary materials
Rubbers
Synthetic fibers
coarse monofilament
Coatings, Adhesives
Paint and varnish compositions and coatings
Oil refining and petrochemicals, Additives
Fillers
Reinforced fabrics, reinforcing materials

WHY VISIT:

Connect with local, regional and international decision-makers
Explore a wide range of products, services, and technology
Discover latest market developments in the industry

Extend professional network
Gain unique market insights
